SUMMARY

Our institution is affiliated to Dr. B R Ambedkar University and the college academic curriculum is designed by the Board of Studies at the University. Board of studies prepare curriculum by taking suggestions and remarks from the affiliated colleges through conducting meetings with the Principals before preparing the blueprint of curriculum.

However, institution obtains feedback on the curriculum design and development from various stakeholders. The feedback is collated and analyzed at College academic meetings in the institution. Based on the feedback requirement, institutions plan:

- More practical sessions are included for better understanding of the subject.
- It is decided to continue personality development programs and interview skills program for the academic year 2017-18
- Learning Management System through interactive activities which enables the mutual interaction between faculty and student was encouraged.
- Smart Class rooms, video conferencing etc was made effective by use of ICT.

Suggestions and remarks about curriculum are conveyed by Principal to the University through amending meetings in the University and it is made perfect to suit the students- instead of more gathering of information so that it can enhance the ability of the students to think innovatively.
