7.3 Institutional distinctiveness

Gayatri College of Science & Management is the pride of munasabpetta, srikakulam, was established in the year of 1991, seven kilometers away from srikakulam pioneered as UG-PG College in our district, with longstanding and excellent faculty members and sophisticated equipment to meet the present as well as the changing needs of the corporate sector.

Our vision and mission:

The college aims at developing a perfect and flawless personality in every one of the students who joins this institution. The students should be made capable of reasoning and distinguishing between what is good for the society and what is not. The students should learn from experience what is necessary for the development of the county. They should know what is really useful and helpful for the development of the individual, the society and the country.

Teaching and learning process:

- Under the norms of UGC all the faculty members are equipped with well knowledge and updating in their fields respectively.
- All the faculty members are applying innovative and research orientation towards the students for over all development.
- A continuous program for the faculty development under the title of INTER FACUTY DEVELOPMENT PROGRAMME (IFDP) from starting year 1993 to till date.
- Through MOU'S with industries in and around srikakulam.
- Yoga classes are conducted for students, Teaching and Non- Teaching staff.

Extension activities:

- The college provides training in areas other than academics and technology such as social skills, soft, ethical values and personality development.
- UG and PG students and faculty members attend technical seminars, conferences and workshops regularly.
- Students of third year and of all streams can benefit from the college job assistance program (campus recruitment). Every year many students are chosen for campus interviews by reputed companies.
- By adopting nearby villages, NSS&NCC wings involve in social services and regularly conduct sanitation programs (SWATCH BHARATH), Plantation, Blood donation camp, Eye camp and remaining health checkup camps.

- Conducts meetings periodically with the faculty members and with students to maintain harmonious relations with the faculty and students to update the changes in curriculum and standard of education.

Self evaluation and continual renewal:

The institution uses a multi level evaluation process to support continues renewal. In this process semester wise evaluate the students such as

- **Internal assessment:** evaluation throughout the period of semester student's participation in various activities such as presentations, seminars and etc.
- **Academic audit:** Maintain records for academic details
- **Stake holder's feedback:** Collects in various ways such as through Tele- calling, letters and with direct interaction.
- **Management appraisal:** Appraisal is given to every faculty in periodically
