Date : 25-06-2021
Name of the Resource Person : Sri T.V. Chandra Mouli
Phone Number : 9492762448
Email ID : Raghu.thurumalla@gmail.com

Program objectives:

1. Honesty in data collection.
2. Framing the work in a way that is accessible to the readers
3. Commitment to the truth than to personal gains
4. How to be away from forgery and ghost writings.

Topics covered:

1. Mastery over the subject chosen.
2. How researchers are obliged to do their best to minimize possible risks and to maximize benefits.
3. Providing framework for making decisions in a way that are fair and equitable.
4. Proving accurate information which is true and does no harm to anyone.

Outcomes:

1. The role of research in several fields of application.
2. Ensuring fullest respect, dignity, privacy, disclosure and fair treatment for subject.
3. Building capability of subjects to accept or reject participation in study.
4. Understanding the actual purpose of researching.
5. How research involves a great deal of coordination and cooperation among different people.

PROGRAM REPORT

Name of the Program : **The Impact of Financial Literacy on the Profitability of Small Scale Enterprises**

Date : 07-08-2021

Name of the Resource Person : S. Mahesh Babu

Phone Number : 9885522568

Email ID : maheshbabuchemistry@gmail.com

Program Objectives:

1. To examine the extent to which financial literacy is adopted by small scale enterprises around the world.
2. To determine the extent to which accounting records enhance the profitability of small-scale enterprises.
3. To ascertain the problems that hinders the utilization of accounting records by small scale enterprises.
4. To what extent does accounting records enhance the profitability of small-scale enterprises?
5. What are the problems that hinder the utilization of accounting records by small scale enterprises?

Topics covered:

1. Study on the urgent need to improve on the financial literacy level as well as to improve on their accounting practices.
2. Help in formalizing their business operations in a way that will suit their little nature.
3. Furthermore, apart from the result of the study contributing to the "knowledge bank" of small-scale enterprises, it will stimulate more researches into this area since from research literature work in this field is still minimal.
4. Financial literacy is the ability to understand basic accounting and finance concepts as well as its application, the ability to use such knowledge and skills to manage financial resources effectively for a lifetime of financial wellbeing.

Outcomes:

1. To develop and understand the importance of financial literacy.
2. Financial literacy is about discernment and makes effective decisions on utilization of financial management.
3. Developing knowledge in personal finance, intricate financial situations, in addition to a large range of choices for making decisions on financing.
4. Adopting modern accounting techniques

(Affiliated to Dr. B. R. AMBEDKAR UNIVERSITY)

Accredited by NAAC & ISO Certified

Under the Management of GURAJADA EDUCATIONAL SOCIETY

Munsabpeta, SRIKAKULAM - 532401

Date: 21-03-2022

PROGRAM REPORT

Name of the Program : What is Research and Development in Business

Date : 21-03-2022

Name of the Resource Person : Sri N. HareRam

Phone Number : 8106315590

Email ID : Hareramnethinti@gmail.com

Topics covered:

1. How is it essential to survival in today's competitive business environment?
2. Investing in research and development generates more revenue because it helps them stay ahead of competitors with better technology.
3. Focusing on research ensures that companies don't have to worry about being left behind by other big players in their industry.
4. How Research and Development is a good investment.

Program Objectives:

1. To create awareness among students regarding R&D in business.
2. Educating pupil towards R&D in business.
3. How R&D is good investment technique.
4. How R&D helps in staying in competition.

Outcome:

1. R&D is the driving force of progress and innovation.
2. How this study helps in managing and coordinating organizational business activities, usually producing materials, machines, innovation, and marketing, and through management.
3. The impact of research on business management could occur both inside and outside the institution.
4. Research outcomes impact analysis, which could adequately be understood by considering various indicators that cause and influence these impacts.

Number of Participants : 24
